JOE WICKEY INSPECTIONS 62484 KUHLMEYER ROAD CENTREVILLE, MI 49032

Mobile: 269-816-4951 Email: jwickey00@gmail.com

Before a permit may be issued, \underline{ALL} of the following documentation must be submitted or justified as non-applicable. Please indicate by checkmark that each item has been enclosed with the application.
1. Proof of ownership (provide copies of deed or land contract with tax number).
2. Site plan or lot diagram on back of last page of the application. (required of <u>ALL</u> applications: new homes, additions and interior remodel). ** Site plan must show dimensions to all property lines from proposed building.
3. Blue prints/drawing: wall section, foundation plan and floor plan required on <u>ALL</u> applications. Two (2) complete sets of drawings are required with any permit applications.
4. Estimated cost of project. \$
5. Health department permit (Well and/or Septic system).
6. Driveway/sidewalk permit: Road commission or jurisdiction.
7. Is the structure within 500 feet of water (lake, river, county drain)? []Yes []No. If yes, a soil erosion permit is required.
8. Is property located in wetlands or floodplains? []Yes []No
9. Zoning approval documentation
10. Other permits eventually necessary: Electrical Mechanical Plumbing Sign
**Applicant or licensed contractor must submit separate application forms for these permits prior to commencing work on that portion of the project.

RESPONSIBILITIES OF APPLICANTS

It is the legal responsibility for the applicant to call for all required inspections before any electrical, plumbing, mechanical or structural work is concealed or covered. It is also the applicant's responsibility to obtain and submit separate applications for any plumbing, electrical, mechanical or building permits.

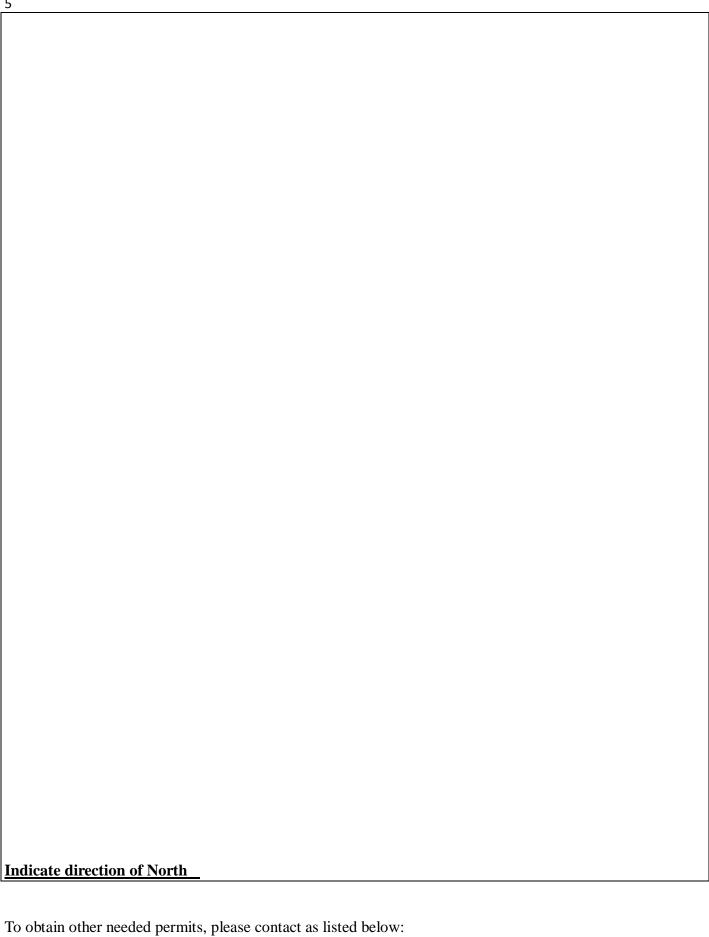

Blue prints and drawings must contain sufficient detail to perform a plan review for conformance with the state building code. Include wall section/cross section drawing showing material dimensions and specifications from footing to rafters, as well as, floor plan indicating all room dimensions, window, door and stair openings. All structures containing premanufactured members (roof trusses, floor trusses, etc.) require a sealed diagram from the manufacturer, forward to our office at time of delivery.
